Date: April 7, 2016

To: Anthony Marshall, Highway Environmental/NEPA Specialist, Planning and Project Development

From: Will Packard, Highway Environmental Specialist, Planning and Project Development

Subject: Noise Study Determination Memo for the NDOR Project I-80/480/US-75 Bridges (C.N. 22595) in Omaha, NE

The NDOR Noise Section staff has reviewed the project description update on August 19, 2015 for the I-80/480/US-75 Bridges project to determine if a noise study is warranted. Based on the materials reviewed, this project does not fit the definition of a Type I project and is therefore exempt from a noise study.

Sincerely,
