FOR IMMEDIATE RELEASE

## **Work To Begin on US-183, South of the Niobrara River in Brown County**

Weather permitting, work is scheduled to begin the week of April 13 on US-183 starting at Reference Post 198.43 and ending at the Brown-Keya Paha county line, Reference Post 207.15, according to the Nebraska Department of Roads.

Werner Construction, Inc., of Hastings, Nebraska, has the \$4,604,211 contract for the 8.72-mile project, which will include widening the roadway from 12-foot to 14-foot driving lanes. Work will include culvert extensions, flume installation and new cable guardrail, as well as repair on the Bone Creek Bridge near Keller State Park.

Traffic will be maintained during construction with use of flaggers and a pilot car. Work is anticipated to be completed in October.

The Department of Roads' project manager is Michael Rudnick of Ainsworth. Motorists are reminded to drive cautiously through highway construction zones.
