FOR IMMEDIATE RELEASE

## Construction Work to Begin on US-83 in North Platte

Weather permitting, construction will begin in North Platte on May 4 on US-83, known as Jeffers Street, from 1<sup>st</sup> - 6<sup>th</sup> Street, according to the Nebraska Department of Roads.

The work will include removal and replacement of the existing roadway, sidewalk, storm sewer, sanitary sewer, water main, street lighting, and traffic signals at 2<sup>nd</sup> and 4<sup>th</sup> Street intersections. Traffic will be reduced to one lane northbound and one lane southbound. A 12' maximum width restriction will be in effect while the roadway is under construction.

The project is scheduled to be completed in the fall of 2015. Motorists are reminded to be extra careful in and near highway work zones, and to buckle up, every trip.
