FOR IMMEDIATE RELEASE

**Information Open House July 9 for Improvements on N-15, North of Fairbury**

The Nebraska Department of Roads will hold an Information Open House July 9 regarding the proposed improvement of Nebraska Highway 15 (N-15), in Jefferson County, known as **Fairbury North**. The open house will be held from 4:00-6:00 p.m. at the Fairbury Community Building, 601 City Park Road, in Fairbury.

The proposed project would resurface about 11.03 miles of N-15, beginning north of the junction of U.S. Highway 136 (US-136) and N-15, and extending north to the junction of Nebraska Highway 4 (N-4) and N-15. The project would also repair one bridge and replace two bridge structures with concrete box culverts along N-15.

Personnel from the Department of Roads will be available to answer questions, receive comments, and discuss any aspect of the proposed highway improvement project. Information regarding the project will be available after the meeting on the NDOR website at [www.roads.nebraska.gov/projects/](http://www.roads.nebraska.gov/projects/) by clicking on the "Fairbury North" link.
