US-26 is temporarily closed between Northport and Broadwater to repair a bridge due to roadway failure, according to the Nebraska Department of Roads.

During the closure, US-26 will be open to local traffic. All other traffic will be detoured using N-92 and US-385. The work is anticipated to be completed and the highway opened during the week of July 13.

Motorists are urged to use caution while driving through work zones, along detours and selected alternate routes.
