FOR IMMEDIATE RELEASE

Rail Work Temporarily Closing US-281 South of Red Cloud

Weather permitting, construction work is scheduled to begin the week of July 27 to replace the railroad crossing on US-281, south of Red Cloud, at Reference Post 5+21, according to the Nebraska Department of Roads.

R & S Track Maintenance, Inc., of Columbus, Nebraska, has the \$36,430 contract. During the closure of US-281, a detour will be in place. For southbound traffic, follow US-136 west one mile to County Road 1100, then south for one mile to County Road F, then east for one mile back to US-281. Work is anticipated to be completed by the end of July.

Motorists are reminded to drive cautiously through construction zones, along detours, and selected alternate routes.
