FOR IMMEDIATE RELEASE

## Work to Begin on N-7 South of Ainsworth

Weather permitting, construction work is scheduled to begin the week of August 17 on N-7, south of Ainsworth, from Reference Post 36.4 to Reference Post 43.1, according to the Nebraska Department of Roads.

Werner Construction, Inc. of Hastings, Nebraska, has the \$1,096,226 contract for milling two inches of the existing asphalt surfacing and placing a two-inch asphaltic concrete overlay. Traffic will be maintained during construction with the use of flaggers and a pilot vehicle. The work is anticipated to be completed in mid- September.

The Department of Roads' project manager is Michael Rudnick of Ainsworth. Motorists are urged to use caution while driving through highway work zones and to remember that speeding fines are doubled when workers are present.
