

NEBRASKA DEPARTMENT OF ROADS
NOTICE OF HIGHWAY PUBLIC INFORMATION MEETING

Thurs., November 13, 2014; 4:00 - 6:00 PM

Information Open House Public Meeting

Denton Community Center
7115 Lancaster Ave., Denton, NE

RD-S55A(1017) Denton Spur; C.N. 12967

The Nebraska Department of Roads (NDOR) will hold a public information open house regarding proposed improvements of Nebraska Spur 55A (S-55A) in Lancaster County. The meeting will be held at the Denton Community Center, 7115 Lancaster Ave., in Denton, on Thursday, November 13, 4:00 - 6:00 P.M.

Identified as *Denton Spur*, the proposed project would resurface approximately 5.17 miles of S-55A.

The purpose of this proposed project is to preserve the transportation asset, improve the reliability of the transportation system, and perpetuate the mobility of the traveling public. The need for this proposed project is based on the conditions of both the roadway and the bridge.

The planned construction would include removing and replacing the bridge structure and building a new concrete box culvert overflow structure. Additional work would include widening, milling, and resurfacing the roadway as well as replacing the existing guardrail.

Right-of-way (ROW) acquisition and temporary easements (TE) would be required to build this project. Access to adjacent properties would be maintained during construction but may be limited at times due to phasing requirements.

There would be the potential for wetland impacts associated with the project, which would be mitigated on-site or at a local wetlands bank.

Construction could begin as early as spring of 2017 and be complete as early as fall the same year. The proposed project would require detouring S-55A traffic; a designated detour would be provided, utilizing U.S. Highway 6 (US-6), U.S. Highway 77 (US-77), and West Denton Road. Details will be available at the public meeting.

This public open house meeting is being held to provide information regarding the project, currently in the design phase, and to receive the public's input. All interested persons are invited to attend and present relevant comments and questions. Design information will be displayed and personnel from NDOR will be present to answer questions and receive comments. The information "open house" format allows the public to come at any time during the advertised hours, gather pertinent information about the project, speak one-on-one with project personnel, and leave as they wish.

NDOR will make every reasonable accommodation to provide an accessible meeting facility for all persons. Appropriate provisions for the hearing and visually challenged or persons with Limited English Proficiency (LEP) will be made if the Department is notified by November 3, 2014. Notification should be submitted to: Sarah Kugler, Public Involvement Coordinator, Nebraska Department of Roads, P.O. Box 94759, Lincoln, NE 68509-4759; sarah.kugler@nebraska.gov; voice telephone (402)479-4871, Fax (402)479-3989.

Information regarding the proposed project will be made available on the NDOR website, the day after the meeting, at www.roads.nebraska.gov/projects/ by clicking on the "Denton Spur" link. For those without internet access, information may be obtained through the contact above or at NDOR Headquarters, 1500 Hwy 2, Lincoln, NE. For further information, contact Thomas Goodbarn, NDOR District One Engineer, (402)471-0850, thomas.goodbarn@nebraska.gov
