FOR IMMEDIATE RELEASE

Construction Work to Begin on US-26 and US-30 In Ogallala

Weather permitting; construction will begin September 28, in Ogallala on US-26 from the west city limits to the viaduct, R.P. 149+33 to R.P. 149+95 and US-30 from the viaduct to the east city limits R.P. 126+29 to R.P. 127+54, according to the Nebraska Department of Roads.

The repair work will include removal and replacement of existing concrete pavement. Traffic will be reduced to one lane each direction in the work area. A 14' maximum width restriction will be in effect while the roadway is under construction.

The project is anticipated to be completed mid October 2015. Motorists are reminded to be extra careful in and near highway work zones, and to buckle up, every trip.
