FOR IMMEDIATE RELEASE

Work to Begin on N-71 in Scotts Bluff County

Weather permitting, work is scheduled to begin the week of October 12 on N-71 in Scotts Bluff County, beginning at Reference Post 58+50 and ending at Reference Post 59+11, according to the Nebraska Department of Roads.

Thrasher, Inc., of La Vista, Nebraska, has the \$36,000 contract for lifting and stabilizing the concrete. Traffic will be maintained using lane closures and reduced speeds. The project is anticipated to be completed by late October.

The Department of Roads' project manager is Martin Gillen of Gering. Motorists are reminded to drive cautiously through highway construction zones and to remember that fines are doubled in a work zone when workers are present.
