

GENERAL REQUIREMENTS

- 1 Many new signs require a permit.
- 2 To determine if the highway, which is adjacent to the location you want to erect your sign, is controlled by the Nebraska Department of Roads, please click the following link: [What Highway Routes are Controlled \(Highway Beautification Control System\)](#).
- 3 If the highway is controlled, you next need to determine if a permit is required for the type of sign you wish to erect. Please click the following link: [Class Requirements](#).
- 4 If a permit is required, you will need to complete an application. Please click the following link for an application: [Application for Advertising sign](#). Please click the following link for a complete listing of the application requirements: [Application Requirements](#).
- 5 If you desire to reconstruct or modify your existing permitted sign, a new permit is required as if the sign was a new advertising sign. The Class Requirements and Application Requirements noted above are applicable.
- 6 Contact the District Permit Officer (DPO) for the County in which you are wishing to erect a sign (The first page of the application contains a map which notes who to contact) if you have any questions.
- 7 Mail the application, the permit fee, if any, and other required documentation to the address noted on the first page of the application.
