FOR IMMEDIATE RELEASE

Work to Begin on N-29 North of Mitchell

Weather permitting, work is scheduled to begin the week of October 5 on N-29, approximately 30 miles north of Mitchell, according to the Nebraska Department of Roads.

Werner Construction, Inc., of Hastings, Nebraska, has the \$1.69 million contract for the 10-mile project. Work will include milling off existing asphalt and replacing it with two inches of new asphalt; earth shoulder construction and seeding. Traffic will be maintained with flaggers and pilot vehicles during daytime hours, as needed. The project is anticipated to be completed by the end of October.

The Department of Roads' project manager is Maryanne Jacobs. Motorists are reminded to drive cautiously through highway construction zones.
