FOR IMMEDIATE RELEASE

Winter Storm Update for I-80 in Nebraska

According to the Nebraska Department of Roads, roads crews continue to work to keep highways open in southwest and south central Nebraska. Travel remains difficult and is strongly discouraged due to drifting and severely reduced visibility.

I-80 is now closed in both directions from Lincoln to North Platte.

To stay up to the minute travelers can check on road closures and conditions by calling 511, Nebraska's Advanced Traveler Information System. The system can be accessed 24 hours a day, seven days a week by dialing 511, or online at www.511.nebraska.gov. A Nebraska 511 mobile app is also available to download at no cost for smartphone users. Simply search your app provider for Nebraska 511.
