FOR IMMEDIATE RELEASE

## Bridge Work to Begin on N-33 East of Crete

Weather permitting, work is scheduled to begin the week of April 18 on N-33 east of Crete, from Reference Post 19+07 to Reference Post 24+00, according to the Nebraska Department of Roads.

Hawkins Construction Company, of Omaha, Nebraska, has the \$4,039,000 contract for guardrail replacement, bridge deck repair and overlay. During construction, traffic will be controlled by traffic signal lights and “reduced speed” signs. Minimal delays can be expected. The project is anticipated to be completed in August 2016.

The Department of Roads’ project manager is Ron Klaus of Fairbury. Motorists are reminded to drive cautiously through construction work zones.
