FOR IMMEDIATE RELEASE

Work to Begin on S-31B, Hildreth Spur

Weather permitting, work is scheduled to begin the week of April 18 on S-31B beginning at the junction of N-10 and S-31B, east of Hildreth, and extending to the city limits of Hildreth, according to the Nebraska Department of Roads.

Vontz Paving, Inc. of Hastings, Nebraska, has the \$394,889 contract for roadway resurfacing. During construction, traffic will be maintained with temporary traffic signs and a pilot vehicle. Minimal delays can be expected. A 12-foot width restriction will be in place during construction. The project is anticipated to be completed in April.

The Department of Roads' manager for this project is Kent Kuhn of Holdrege. Motorists are urged to use caution when driving through construction zones.
