FOR IMMEDIATE RELEASE

Interstate 80 Project Darr-Lexington

Weather permitting, construction will begin on Interstate 80 between RP 230+55 and RP 237+61 on May 2, according to the Nebraska Department of Roads.

The work on this project includes concrete repair, diamond grinding, joint sealing and pavement markings. Traffic during construction will be reduced to one lane with a 12-foot width restriction 24 hours a day. The project is anticipated to be completed in late October 2016. Some delays should be expected. Please travel safely.
