FOR IMMEDIATE RELEASE

## Draft State Transportation Improvement Program Available for Review

The proposed Statewide Transportation Improvement Program (STIP) for Fiscal Years 2017 thru 2020 is available for public review and comment at

[www.transportation.nebraska.gov/STIP/](http://www.transportation.nebraska.gov/STIP/) according to the Nebraska Department of Roads (NDOR). Copies are available from each of the eight district offices. (See the attached map of the district offices and contact information.)

The Federal Highway Administration (FHWA) and Federal Transit Administration (FTA) require each state highway agency to develop a STIP. The STIP must list all highway and transit projects that will be using federal funds, as well as all regionally significant transportation projects using non-federal funding sources. It covers a period of four years and in Nebraska is updated every year on October 1<sup>st</sup>.

Federal law requires that all citizens and other interested parties in the State's transportation planning process be given reasonable opportunity to comment on the proposed STIP and on any proposed amendments to an approved STIP. NDOR uses statewide news releases and an automated email subscription management system called GovDelivery to inform the public and advise them of the means and time period to comment on STIPs and any amendments. All comments will be addressed and those responses reported to the FHWA and FTA.

A public comment period begins August 15 and ends at 5:00 p.m. CDT on August 30. These comments will be incorporated into the final document which will be posted on the Nebraska Department of Roads' website after approval by the FHWA and FTA. Comments may be submitted online at [www.transportation.nebraska.gov/STIP/](http://www.transportation.nebraska.gov/STIP/) or sent to: [kendall.tonjes@nebraska.gov](mailto:kendall.tonjes@nebraska.gov).
