FOR IMMEDIATE RELEASE

Work to Begin on I-80, Wyoming Line to Bushnell Interchange

August 25, 2016 (Gering, Neb.) — Weather permitting, pavement repair work is scheduled to begin September 6 on I-80, eastbound lanes only, from the Wyoming state line to the Bushnell interchange, according to the Nebraska Department of Roads.

Iowa Erosion Control, Inc., of Victor, Iowa, has the contract for the \$433,636 project. Traffic will be maintained with temporary lane closures, reduced speed and a 12-foot width restriction. The project is anticipated to be completed by October.

The Department of Roads' project manager is Maryanne Jacobs of Gering. Motorists are asked to drive cautiously through construction zones.
