Questions	Answers
<p>1. For the section Operations &amp; Maintenance Bicycle &amp; Stations we realized that these cannot commence until after system installation. If this is the case, we are unsure of where to include start-up costs such as setting up the office and bike shop, hiring staff so that they can be prepared to receive training, etc., marketing activities for the launch, etc. Is the City of Lincoln expecting those costs to be incurred and paid for by the operator and then included in our costs for year 1?</p>	<p>Yes. Vendors should consider all of the requirements and terms and conditions of this RFP and provide pricing as deemed appropriate by the Vendor to items/services as specified in the Cost Proposal.</p>
