

Standard Special Plans – Changes – August 3, 2012

**Standard Plan**

Concrete Flume, Type VII 5470-0-E-01 will be replaced with 5470-0-E-02 for the Feb. 2013 Letting.

Concrete Flume, Type VIII 5480-0-E-01 will be replaced with 5480-0-E-02 for the Feb. 2013 Letting.

The changes are as follows: The Concrete Curb-Detail A needs to be removed, the L dimension on Section A-A and the L information under notes.

Concrete Curb With Curtain Wall-Detail B was then changed to Detail A.

The depth information under Quantities For Concrete Flume VII & VIII were rewritten so that X = could be worked in and Depth taken out.
